## PROFILE

I am an Argentinian and Italian Citizen, living in the Netherlands. I seek to bring a diverse perspective and have the ability to work effectively in global teams. I actively explore best practices in the technology sector. I am a curious and lifelong learner

## EXPERIENCE

### Junior Front-End Developer

- Accenture Argentina  
September 2022 - March 2023
- Built responsive and interactive web applications using Angular framework.
- Implemented components, services, and modules to create a modular and maintainable codebase.
- Debugged and troubleshooted code to identify and resolve issues promptly. Wrote unit tests using frameworks like Jasmine or Jest to ensure code quality and functionality.
- Participated in code reviews to provide and receive constructive feedback.

### Product Owner

- Accenture Argentina  
April 2021 - September 2022
- Defined and communicated the product vision to stakeholders and the development team.
- Created and managed the product backlog, ensuring it was well-defined, prioritized, and up-to-date.
- Planned and strategized, including manual testing.
- Collaborated with stakeholders, customers, and the development team to gather and prioritize product requirements.
- Worked closely with UX/UI designers to ensure a user-friendly and visually appealing product.

### Community Manager

- Freelancer  
2021
- Creation, Planification, Strategy and Branding for brands.
